Class

~Hello~

Always & forever

Beginnings . . .

In this modern world of ours where time is very precious and everlasting, thoughts and tears, laughter and fears are never forgotten but rather placed in our memories. We recall all the accomplishments and disappointments that have made the year so very special.

The 1983-84 Pioneer staff put all their energy and talents into creating a unique and exciting yearbook. A book filled with fond experiences of the joyful times that the student body and faculty shared together. As we journeyed together, we remembered memories of, *"Yesterday Today, and Forever."*

Student Life

Consider Yourself Part Of The Family!

The new school year '83-'84 opened with the welcome of all students and faculty. Welcome week was September 12-16th. On Monday, there was a short prayer service which centered around the school theme for the year, "Take the risk". During the prayer service, the Lifers performed a skit. Also, at the prayer service the faculty pledged their commitment to the students and in return, the students pledged their commitment. This moment was very special and meaningful for all, for it expressed the love and unity between faculty and students of Mission High.

September 19 was another special treat for the freshmen. The Juniors treated their little sisters to lunch at Smith park. Despite the hot weather, the event turned out great. Juniors spent days planning their special lunches.

After the freshmen finished their lunches with their big sisters they took pictures or just talked and got acquainted. As Freshmen *Nicole Guerreo* said, "The whole day was a great experience that we all enjoyed."

On September 13 the Sophomores gave their Freshman little sisters survival kits. The survival kits contained any necessities a freshmen may need to survive her first year at Mission. Some included odds and ends such as pens and papers. Others included money, perfume, and even breath freshener for those after school dates. With these valuable items a Freshmen can never be unprepared. The day brought much unity and many new friendships!

Enter Into The "Twilight Zone" . . .

On Friday, September 16, 1983, the seniors and their little sisters spent a day in the "Twilight Zone."

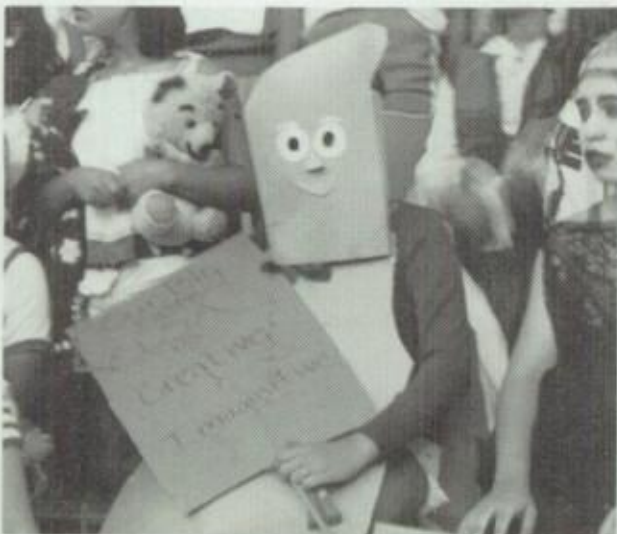

The event began with a humorous skit involving seniors: *Bertha Rios, Elsa Sandoval, Irma Garcia, Charisse LeFave, Sonya Rangel, Patty Beal, Jackie Melendez, Rosann Lopez, Becky Osuna, and Oanh Nguyen.*

As the theme music of the "Twilight Zone" played, the freshmen made their grand entrance. Their creative and spacy costumes were showed off to their best as they walked down senior aisle. The assembly concluded with a raving interpretation of "Hail Seniors."

At 11:10 the seniors and their little sisters boarded five buses and headed to Huntington State Beach. There everybody made themselves at home with their blankets, food, and of course the all important radio.

Throughout the day girls could be seen kicking and fighting to save themselves from being thrown in the water. One of the most toughest of these was senior class president, *Elvia Torres.*

As the day came to an end, the seniors presented their little sisters with a mini poster, as a souvenir of the day. As senior *Elsa Sandoval* said, "This is the best Senior/Frosh activity day we've had. It provided us with more time to spend with our little sisters and to enjoy it to the fullest."

Working Together To Make a Difference

The Campus Ministry Board was a group of students, faculty members and parents who worked together to promote Christian spirit in Mission High. It was led by moderator, *Sister Gloria Marie* and consisted of five groups: LIFE, Christian Concern Forum, Art and Environment, the Mission Youth Group and the newest group at Mission, the Liturgy Club.

The Liturgy Club was made up of students whose main concern was to make the student body liturgies as beautiful and as spiritually moving as possible. One of the ways they accomplished this was by providing the instrumental music and singing during Mass.

Each year, Campus Ministry tries to create a spiritual mood during Advent, Lent and other seasonal events. To accomplish this last Advent was given the theme, "It is better to light a candle than to curse the darkness." Each religion class announced to the student body, on a daily basis, what they were planning to do in order to succeed in doing as the theme stated.

Besides creating the mood for each season, the Campus Ministry Board also planned and conducted all student retreats and the Parent/Daughter retreat, as well as discussing matters pertaining to school life.

The Campus Ministry Board worked together to make a difference here at Mission.

A Gift From God

In its second year at Mission, *KAIROS*, which means Christian Awakening, has continued to bring spiritual and emotional healing to many in the senior class. This four long day retreat gave the students the opportunity to get to know themselves, others, and their God with more depth.

KAIROS IV, V, VI took place in Mission San Luis Rey, a peaceful and historical retreat house in Oceanside. To get the most out of it, the students attended the retreat in small groups. The first group of seniors went from October 18th to the 21st. *KAIROS* V took place on December 6th until the 9th, and *KAIROS* VI was from February 14th to the 17th.

Teams of seven students, five adult leaders, and observers attended and gave love and support to the retreatants. The faculty team members for this year's retreats were: Miss Cathy Dorsey, Mr. Frank Laurenzello, Sister Reina, Ms. Joyce Moore, Father Helmut Hefner, Mrs. Sue Notheis, and

Sister Gloria, Who is the retreat's director. Ms. Ethel Malveaux, Mrs. Nancy Crowley, and Sister Carolyn attended as observers.

Senior *Mona Lee Miller* said of *KAIROS* V, "It was a very moving and worthwhile experience. Everyone seemed to get alot out of it, and it brought our class closer together."

On the fourth day, each student returned to school a little tired but full of many special gifts that they had received during their four memorable days.

Sister Gloria reflected on the *KAIROS* retreat: "With each experience of Kairos I came to believe more and more in the value of this retreat. I am so grateful to the faculty for their support and to all the students and graduates who have worked so hard as student leaders to make Kairos happen. I do believe Kairos is one of the best gifts we could give our seniors before they graduate."

A SENSE OF BELONGING

Much preparations was put in by the retreat committee for the junior retreat held at the Sacred Heart retreat house in Big Bear. On November 9, half of the Unique class excitingly boarded the bus, under the supervision of *Father Larry Lovell, Sister Gloria Marie, Sister Reina* and moderators, *Miss Jennifer Dunmire* and *Mr. Frank Laurenzello*. They were on their way to an experience they'll never forget. They returned the next day gaining insights from the retreat and were more united as a class and sharing God's love with one another. The second half of the class left the week after on November 17, under the supervision of *Father Larry Lovell, Sr. Gloria Marie, Sr. Elizabeth, Mrs. Nancy Crowley* and *Mr. Michael Cheney* and returned November 18. They also shared the same beautiful experience as the first group.

The theme of the retreat was "Belonging". Each day was filled with surprises and the girls felt that they somehow grew closer together, not only with the class but also with God. They felt that they belonged. Not only did the Uniques enjoy the retreat itself, but they also loved the beautiful scenery of Big Bear. They went exploring and hiking around the area. Much of the success was due to the great participation of each individual who shared their ideas and feeling with others. The more the junior class put into it, the more they got out of it. Overall, they felt that this was one retreat they'll always remember.

Merry Christmas To All

On Tuesday, December 17, the senior class held the traditional Christmas Assembly. As the day drew nearer the seniors rehearsed busily for "The Night Before Christmas." Involved in the skit were: Jackie Melendez, who played Santa, Desiree Sandoval, Ana Arreola, Denise Esparza, Susan Smith, Liz Perez, Becky Osuna, Claudine Patsalis, and Stacy Rubly as the reader. Accompanying the Seniors as they sang Christmas Carols was Cathy Thomas playing the accordion.

With the special help and expert directing of Mrs. Ransons, the assembly went off very well. The Assembly concluded with the traditional song by the faculty. After which the students were dismissed to a long awaited vacation.

SILVER BELLS

"Silver Bells" was the theme of the dance held on December 17, 1983 and sponsored by the Cross Currents. Part of the excitement of the dance was due to its contest, which began earlier in December. The girls tried out to become the Snowball Queen. Out of these girls, four semi-finalists were chosen. The semi-finalists were Seniors, *Desiree Sandoval*, *Tracy Ramirez* and *Ceci Huante* and junior *Ana Rivadeneyra*. To become queen, the girls had to be supported by donations which they earned by giving candy to the people who donated money.

At the dance, the girl who turned in the most money became the 1983 Snow Ball Queen. This years queen was *Tracy Ramirez*, who was crowned by last years Snow Ball Queen *Ana Arreola*. All in all, the dance was a great success.

Way To Go Daddy O!

The annual Father/Daughter Day was supposed to be held on Sunday, October 2, but because of the unfavorable weather it was held on October 9. The day started off with a mass said by *Father Larry*. Included in the day's activities was a tug-a-war, which the Freshmen won. There was judging in various areas including most original tag, best look-a-like, best softball, basketball, and soccer player, and most beautiful legs.

On Saturday, January 21, the Father/Daughter Dance was held. This year's theme "The Roaring Twenties", enabled the students to dress accordingly for the costume contest. The best costume award went to *Nancy Martinez* and her dad. Besides this, there was also a dance contest. The winners for the fast dance contest were, in first place, *Danielle Montoya* and dad, in second place, *Denise Yoshioka* and dad, and in third place, *Lisa Terrazes* and dad. Best Charleston dancers were *Patty Valdez* and dad. Winning the slow dance were *Kim Koch* and dad, *Ceci Huante* and dad, and *Cassie Angulo* and dad. Both of these days provided the fathers and daughters to spend some time together.

"Twelve Angry Women"

A talented group of young women and men made up this year's cast and crew of "Twelve Angry Women." Held on the Friday, Saturday, and Sunday, November fourth, fifth, and sixth, the play gave each member a chance to show his or her talents and skills.

Once again Mr. Koester, as moderator, was responsible for its dramatic success. Special congratulations should be given to Kathy Olague, who as student director, showed dedication, hard work, and devotion. The play required twelve actresses to play the part of jurors. They were: Norma Ramirez, Foreman, Arlene Flores, Juror three, Kim Koch, juror four, Diane Vargas, juror five, Mary Bauchman, juror six, Christine Segar, juror seven, Sonya Rangel, juror eight, Linda Carlucci, juror nine, Christy Flores, juror ten, Magda Peninche, juror eleven, Liz Perez, juror twelve. In addition to these there were the roles of the Judge played by Joe Padilla, who also played the guard, and the role of the clerk played by Alex Quesada.

All three days were special, but the third day had a special meaning especially for the seniors and Mr. Koester. As senior Norma Ramirez expressed, "The last performance was very special and emotional for the seniors and Mr. Koester, because we have been together for the past four years and this was our final performance together."

Mission looks forward to many more excellent drama productions.

Mystery At Mission

What was the mystery at Mission this year? It was trying to find out who everyone was. This year the Sophomore class changed the way things were done for Freaky Dress Day. First, each homeroom choose its theme, then they picked the three people who best represented the theme. These people were awarded prizes at the assembly held at the end of the day. The prizes were yummy delicious goodies baked by members of the sophomore class. Cakes were given for first place, cupcakes for second place and cookies for third. All in all, the day was a great success.

The Living Rosary

Again this year, the special celebration to honor Our Lady the living rosary took place on October 7th, and was sponsored by the Senior Class of 1984. This ceremony was carefully planned so that everyone could be a part of the Living Rosary. Together, faculty and students joined to pray in reverence and peace, to our Lady. This day is very special to our Dominican Sisters for yet another reason, this is their Patronal feast day.

The Rosary began with a small introduction as the seniors lined the auditorium with two rows on each side to form the 5 decades of the rosary. Before each decade a small meditational prayer was said to bring more meaning to the prayer, and before each Hail Mary, a beautiful red rose was placed upon the altar before the Blessed Mother, to represent each recitation. After the prayerful celebration, the Dominican Sisters, through *Sister Jean Marie*, superior, received these roses with which to decorate the convent chapel. This ceremony brings joy to both faculty and students for it joins us all together as one in peace and love.

Seems Like Old Times!

Keeping to tradition, the seniors once again crowned their princess, *Cindy Barron*, as Annual Queen on Saturday, October 15, 1983.

The first two weeks of October had kept the Mission student body busy selling ads, to make sure that the 1984 Pioneer was truly the "best ever." At the kick-off assembly, the four class princesses were introduced: Freshman *Claudia Vargas*, Sophomore *Martha Bethencourt*, Junior *Christy Fierro* and Senior *Cindy Barron*. Each princess, during her speech, asked her class to support her by selling ads.

To announce the winner, the Annual Staff sponsored their Annual Dance, Lasting Impressions, "on October 15th. The dance featured "Impulse". At ten, the question was finally answered. An aisle was cleared in the center of the auditorium. The princesses and their escorts processed down the aisle and up to the stage. Last years annual queen *Pat Fernandez* was also there to crown the new queen.

A total of \$9047 was brought in by the four classes with the Seniors averaging \$43 per girl. With their total of \$5056, they kept to tradition and crowned Princess *Cindy*, the new queen. In second place was Junior *Christy Fierro*, third place, Sophomore *Martha Bethencourt* and in fourth place, Freshman *Claudia Vargas*.

Although the Ad Drive had begun somewhat slowly, it built in excitement during its final days. The crowd attendance at the dance indicated that everyone had a good time and that all Pioneers were there to support their princess.

Aiming For The Top!

The first two weeks of October kept Mission students on their toes. On September 30, the Annual Staff's Patron Ad Kick off assembly was held. The assembly was opened with a scene of the 6th period Yearbook class, showing the pros and cons of selling ads. After the skit, *Sister Kathleen Anne*, Annual Staff advisor, introduced the 1983-84 Annual Staff.

The 1983-84 annual princesses were then introduced, by different members of the staff, to the student body. A princess was eligible by being nominated by her class who was enthusiastic and spirited, and who was capable of leading her class to victory! To do this, each princess had to be supported by her class by selling the most ads and the winner was traditionally crowned queen. The Class princesses were: Senior *Cindy Barron*, Junior *Christy Fierro*, Sophomore *Martha Bethencourt* and Freshman *Cecilia Valdez*.

A total of \$10,006 was brought in by the four classes with the seniors averaging \$5,317, which brought them to first place, the Juniors with \$2,046-2nd place, the Sophomores with \$1,533-3rd and bringing up the end is the Freshmen with \$1,110.

The excitement of the contest and the competition of the classes were all signs of an excellent and successful Ad Drive.

Clubs

Maria
Figueras

"Parents' Club Promotes Progress"

Once again, this year's Parents' Club continued that dedication to helping Mission High and most importantly its students.

Its goals among others was to help support the school's philosophy, and through their fundraisers, to help give the school the equipment and materials that it most needs.

The dedicated officers that made these hopes realities were: Presidents *Augie and Ana Mae Koch*, 1st Vice-Presidents *Fernando and Teresa Duran*, 2nd Vice-Presidents *Alfredo and Theresa Cintra do Prado*, the three 3rd Vice-Presidents are *Lilian Perez*, assisted by *Monica Marsman* and *Josie Villanueva*, Recording Secretary *Mary Martinez*, Correspondence Secretary *Olga Carrillo*, and Treasurer *Gil and Frances Mosqueda*.

The Club's activities included among others Father/Daughter Day, Day at the Races, and the Parent's Club Boutique.

As *Sister Carolyn*, moderator of the Parent's Club, said, "The Club sets up good communication between the school and its family members. It is a great financial help because it promotes programs within the school."

The Parent's Club closed their year at a wine-tasting party and installation of new officers. All could agree that the year was very successful.

Stop The Presses!

They're off again! The Crosscurrents newspaper staff started off the year with high expectations for a bigger and better newspaper. With the help of *Sister Carolyn* teacher of the journalism class, and *Miss Kate Martin*, moderator of the Crosscurrents, they were successful. The staff under the leadership of co-editors, seniors *Debbie Anderson* and *Irene Gonzalez* started with the publication of their first issue on November 2nd. Four other issues followed during the year.

With the rising inflation rate, the cost of the issue continued to rise. This wasn't a worry for the staff however, because of the generosity of patrons who opened their hearts and their pocket books to place ads in the paper. To also help with the cost, the staff sponsored their annual Snowball Dance on December 17th with the theme of "Silver Bells." Because of

these various fund-raising activities, the paper was still given free of charge to the student body.

This year the newspaper increased its staff to about 30 members. Every member was given a specific area to concentrate their talents on. During the summer, three staff members, *Jeannine Haskell*, *Irene Gonzalez* and *Debbie Anderson*, along with *Miss Martin* attended a workshop in Redondo Beach to help improve writing skills and layout and paste-up techniques. "Hopefully, all of these changes will improve our paper and benefit school communication," said senior *Debbie Anderson*.

For all of their hard work, the Crosscurrent staff deserves special commendation. They did a superb job. Every Mission student, teacher and staff member looks forward to future issues with anticipation.

The Best Ever!

Working under the direction of co-editors, *Elsa Sandoval* and *Lisa Mosqueda* and moderator *Sister Kathleen Anne*, the 1983-1984 Pioneer Staff, produced the "best ever" annual. The staff spent many long hours, both during class time and after school, working together to create memories to be remembered. It was truly an act of love.

On Friday, September 30th, the staff launched the annual Ad Drive. They began the short assembly with a short skit, that depicted what would happen if no ads were sold. After the skit, *Lourdes Bonilla* and *Cece Cabral* co-business managers presented the type of ads and collection procedures.

Although the ad drive started off slowly, during the final three days, money came pouring in, specially from the senior class. The Royal Lions managed to raise \$5055, well over their class quota.

On Saturday, October 15th, during the Annual dance, senior class princess *Cindy Barron* was crowned Annual Queen by last years queen *Pat Fernandez*. The dance featured the lights and sounds of *Impulse*. This dance was the most successful of all recent annual dances. There was a large crowd in attendance, and everyone seemed to have an enjoyable time.

What makes a girl tryout for yearbook staff? Why would anyone commit themselves to much hard work, long hours and at times stress? When asked, Junior *Sandra Nuno* said, "I just wanted to see what it took to put a yearbook together. I wanted to see if I could do it."

Because of such inquiry and dedication, the 1984 Pioneer is a reality, not a dream and it has truly captured our memories of "yesterday, today, and forever!"

GO TEAM!

G.A.A., the girls Athletic Association, as one of the largest clubs at Mission, was made up of girls who are athletic and spirited and who wanted to share their talents with Mission and fellow competitors.

G.A.A. was successfully run and organized by *Irish Gonzalez, President; Chelito Galvan, Vice President; Valerie Velasco, Treasurer and Miss Joan Inouye, as moderator.*

A successful banquet was held in May to credit our talented athletes. G.A.A. also held Intermurals an inner school sports activities program for all Mission girls. There were many fun and interesting sports for the girls to participate in. This helped to bring out school spirit, class unity, and self worth.

Ideas In Action

To get an early start on getting some of 1983-1984 ideas into action, student council workshops were held in the month of August. *Sister Reina* worked with the responsibilities of being a leader and to plan the school year.

Student council was made up of class officers and club presidents. They were led by their moderator, *Sister Reina*, along with the ASB officers: president *Anna Retrosi*, Vice-president *Letty Ontiveros*, Secretary *Monica Martinez*, and Treasurer *Judy Gonzales*.

"The purpose of student council is to provide communication between the students and administrators so that they can

cooperate in promoting school spirit, leadership, and christian attitudes," commented sophomore class president, *Cynthia Flores*.

The student council sponsored the candy drive, Thanksgiving Food Baskets, Kris Kindle gift giving, the Father/Daughter Picnic and Dance two student body meetings, held in the spring and fall, and welcome week activities. Also, for the second year they sponsored "Crazy Daze" to boost spirit and morale.

The student council met at 7:30 am on Wednesdays. They gave the student body a great start and finish to the year.

Honor And Pride

CSF/NHS remained strong this year with 85 members.

The club which accomplished much this year, was led by President *Patricia Escorza*, Vice-President *Aide Cabeza*, Secretary *Viviana Della Barca*, Treasurer *Beatrice Aranda*, and their new and capable moderator, *Ms. Joyce Moore*.

To qualify for CSF/NHS, a member must have four solid courses and receive A's in three of the four with no less than a B in the last class. For NHS, a member must receive a 3.0 GPA in five courses, four of which must be solid.

Among other activities, CSF/NHS sponsored a candy apple sale, Career Day, and held meetings every third Monday of the month.

When asked how she felt about being a member of this club, President *Patricia Escorza* replied, "I am proud because this is the result of working hard."

The 1983-84 school year for CSF/NHS closed with the election of new club officers and anticipation for next year's activities and duties.

Business As Usual . . .

It was business as usual again this year for F.B.L.A. (Future Business Leaders of America). This zealous group served a truly beneficial purpose for the school and for its members as well. Moderators *Mrs. E. Campbell* and *Ms. E. Malveaux* helped train potential businesswomen. This important task was done by their own advancement in their business classes and by conducting successful activities such as the donut sale, Sham-o-gram sale, guest speakers and most exclusively the Southern Section Conference held every year to provide more insight in the business world and competition among other schools.

As a result of the past few years the club has contributed materials for the business classes and the new electric typewriters to the active and growing business department.

Led by their officers, *Ceci Huante*, president, *Sandra Nuno*, vice-president, *Loretta Lopez*, reporter-historian, and *Mariana Lemus*, secretary-treasurer, FBLA had a very productive year.

Heartfelt Efforts For Peace

Amnesty International is a world-wide movement of people working for the release of prisoners of conscience, for fair trials for political prisoners, and for an end to torture and the death penalty.

Here at Mission Amnesty International was a *Campus Network* working to free political prisoners and setting a pattern for peace. How did everyday high school students free political prisoners half way around the world? This zealous group of girls wrote many letters to presidents, heads of states and to different authority figures in governments. These letters were effective in freeing prisoners of conscience. One could say that Mission's Campus Network of Amnesty International worked in a practical way for peace and justice.

"... the candle burns not for us,
but for all those whom we failed to rescue
from prison,
who were shot on the way to prison,
who were tortured, who were kidnapped, who
'disappeared'.

That's what the candle is for"

-Peter Beneson, 1961, founder of Amnesty International.

Bringing Care And Concern To Mission

The 1983-1984 year saw Mission's Christian Concern Forum beginning its third year. The Forum consisted of two girls from each religion class, who met together twice a month with their moderators, *Sister Gloria Marie* and *Mr. Michael Cheney*. The discussed school and world-wide issues, which were then brought to the students' attention, so that the student body could express their feelings and reactions.

To help raise the conscience level of Mission's students, faculty and staff, on the Wednesday before Thanksgiving, November 16, the Christian concern Forum sponsored a World Fast Day. The menu consisted of broth and rice. The price of the lunch was 50¢. The money raised was then donated to the Brothers of Charity who work in downtown Los Angeles among the needy of the city.

The CCF has become an important part of Mission, through Their care and concern and their dedication, they have helped to broaden the focus here at Mission.

MISSIONS WHIZ KIDS

What was that incredible, remarkable, exciting, and fascinating club you heard about? Yes, you guessed it, the Math/Science Club. The Math/Science Club had very fun and interesting activities this year. They went on exciting and informative field trips and had many excellent speakers on topics concerning Math and Science. The Math/Science also had a very successful tutorial program, which was a big help for those weak in math and science. Another service to the school was a math store which carried math supplies for students. The Math Science Club was run by *Cecy Pelz*, President; *Thanh Nguyen*, Vice President; *Diana Escalante*, Secretary and Treasurer and *Mrs. Blair*, moderator. An overall idea of the club was explained by *Diana Escalante*, "to, ... present fun and exciting ideas for the girls to enhance a career and personal interest in math and science."

South Of The Border Culture

This year Mission's Spanish Club put a great deal of energy into making the 1983 - 1984 year a memorable one, both for themselves and for the Pioneer student body.

The Spanish Club sponsored two assemblies during the school year. The December assembly was in honor of Our Lady of Guadalupe, while the other in May highlighted Cinco de Mayo, the Mexican military victory over the French.

To help raise funds for various activities, club members sold candy. The club activities were capably led and directed by their moderator, *Mr. Michael Cheney* and officers, President, *Imelda Sanchez*, Vice President, *Sandra Romo*, Treasurer, *Isabel Davalos* and Secretary, *Elsa Salgado*.

The Spanish Club serves an important function here at Mission, by keeping the student body aware of their cultural heritage and spirit.

The Drama Club now has both a beginning and advanced group. Mr. Gene Koester was again the club moderator. The club officers were, President *Kathy Olague*, Vice President *Laurette Adame*, Treasurer *Arleen Flores*, and Secretary *Colleen Staunton*.

In the beginning drama group, they concentrated on stage procedures. In the advance, they worked with film. They also visited various theaters, and even used *Falcon Cable TV*. They also did productions in class, acting with lights, camera, and plenty of action.

The Club went to *Hour Magazine* hosted by *Gary Collins*. The club also is in charge of the Fall & Spring play productions.

A Look At Life

Life

A mystery . . .

A challenge . . .

An Adventure . . .

A never to be forgotten **LIVING IN FAITH EXPERIENCE!**

For the past four years, Mission students have attended the **LIFE** experience, a seven day Christian leadership workshop for Juniors and Seniors at Flintridge Sacred Heart Academy. Fifty-four students from northern and southern California along with fourteen moderators shared, searched, prayed, dreamed and grew together. The final results was their Life Covenant which each school personally composed to express their ministry commitment to their school community.

Mission's 1983-'84 covenant is shown below.

We, the Mission Lifers of 1983, one with Jesus Christ, do hereby commit ourselves to:

- ★ Share our LIFE experience with our families and school communities
- ★ Initiate and participate in a peer counseling program
- ★ Assist with the Retreat program
- ★ Help deepen the experience of prayer through our involvement in liturgies and community services
- ★ Help build a spirit of appreciation and unity among students, teachers, through birthday celebrations and faculty appreciation day
- ★ Continue to support each other through prayer, by being there for each other, and meeting once a month
- ★ Review our covenant, recommit ourselves to it in January

We trust in God to help us wholeheartedly fulfill this covenant to the best of our abilities.
Amen.

low.

The Lifers are an important part of Mission's Campus Ministry program according to Sister Gloria Marie. "The spirit and **LIFE** they bring, their desire to share their **FAITH** has been a real inspiration and gift to all of us."

As senior **Debbie Anderson** said after her experience, "I couldn't help smiling because I had just been given a new outlook on life!"

Pep Club Spirited, Dynamic Pep Enthusiasm!

Starting it's dynamic second year, the Pep Club continued to show their spirit through the year. The Pep Club consisted of Seniors: *Eleanor Cruz, Irene Gonzalez, Cathy Montoya, Valerie Velasco, and Dani Zermeno*, Juniors: *Sandra Licitra, Nancy Perez, Priscilla Pineda, Elsa Salgado, Liz Torres, and Elizabeth Urias*, Sophomores: *Lourdes Alvarado, Bernadette Duran, Liza Ramirez, and Christy Rose*. Freshmen: *Megan Centola, Elizabeth Diaz, Denise Duran, Renee Duran, Kim Fondran, Camille Galindo, Anita Luna, Deena Menking, and Maggie Prado*.

The Pep Club helped cheer on the teams at the games, providing inspiration and high spirited enthusiasm.

As a result of their hard work during the year: helping with the pep rallies selling pom poms, supporting the leading, songleading or drill team. The Pep Club has done a remarkable job building up their group as a truly supportive team consisting of the pep squad, cheerleaders, songleaders, drill team and baton twirlers.

Mission High should be very proud of the great job they did this year. They were a very exciting part of Mission.

The Spirit In Art

The Art Environment group is composed of students who wish to positively contribute to the Christian environment of the school through the use of their creative talents. They meet weekly to work on artistic creations that will heighten Mission's consciousness of Liturgical seasons and feasts.

This group has been active for 3 years and this year had a new Moderator, *Ms. Judith Duncker*. They began the year with colorful posters and banners for Parish Celebration Day on Sept. 29.

Part of their art work included posters for All Saints Day, Thanksgiving, Advent, Easter, New Years, and other special occasions. The Art & Environment group helped to celebrate Mission's participation in the various Liturgical seasons and feasts.

A Look At Yesterday

THE WORLD

What was happening in the world, the nation, the state outside of Mission High School? Did it effect the community here at Mission? The answer to the first question, was that much was happening, while the answer to the second question was, it did effect the Mission community.

War was again a primary topic of interest and conversation. For a while, it seemed that the American armed forces could only stand still and take casualties but then came Grenada and the 82nd Airborne. Suffering minimum losses, the American troops overcame the Cuban resistance and retrieved the six hundred plus medical students stranded on the island.

Violence, conflict and warfare continued in the Middle East. In October, soldiers sifted the rubble of the U.S. Marine headquarters in Beirut looks for the bodies of their comrades and friends. Menachem Begin resigned and Palestinian fought Pales-

tinian. TAt home, Congress kept asking the President to bring the Marines home and in February, he gave the order to begin withdrawal.

Unrest continued in Central America as revolution met counterrevolution. Nicaraguan Sandinista soldiers swept the foothills of Matagalpa, a small town near Honduras, defending against U.S.-backed contra rebels. Meanwhile, in El Salvador, anonymous death squads continued to claim more victims.

Death struck again when a Korean Airliner was shot down by a Soviet fighter and two hundred and sixty-nine people lost their lives. Death seemed very much a part of the year.

Pope John Paul II visited his homeland, Poland, for a second time. Europe marched to protest the installation of nuclear arms and the world asked where Yuri Andropov was.

THE NATION

At home three hundred thousand marched in Washington in memory of Martin Luther King, Jr., James Watt suffered from fatal "foot in mouth disease and lost his job as Interior Secretary. Physicist Sally Ride became the first American Woman in

space. Farmers in the Midwest suffered from one of the worst droughts in years, bringing back memories of the Depression era "dust bowl." Finally, a statistic to remember and mourn: 1,225 Americans have died from AIDS.

Flashdancer Jennifer Beals began a fashion trend with a ripped sweat shirt. Broadway had a huge reunion of dancers from "A Chorus Line," the longest running show. Television generated controversy with "The Day After," a graphic visualization of nuclear war. It drew the attention of 100 million viewers. The third sequel of "Starwars," "The Return of the Jedi," appeared on the scene and M*A*S*H concluded after eleven seasons. Michael Jackson hit number one with his rock video "Thriller" and Boy George led a British rock invasion.

1983 was a year of mixed blessings.

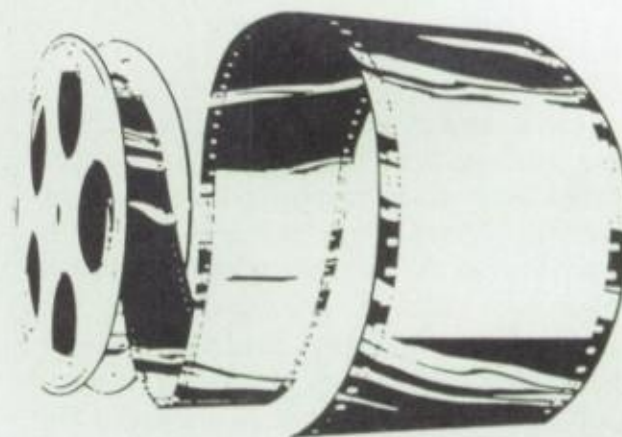

THE ARTS

Peace was still sought and prayed for. The economy, began a slow recovery and unemployment began to decrease. People, for the first time in years, had money to spend, as evidenced at Christmas with the ringing of cash registers. Everyone wanted a Cabbage Patch doll and some went to great lengths to get one.

It was a year filled with events, both tragic and joyous. The Mission community remembered yesterday, tried to live today well and looked forward to a tomorrow of peace and joy.

The Year's Top Ten!

Forever, I Will Sing...

Few if any of us were alive in 1934. If you remember history, the United States was deep in the midst of a depression. Most of us, were still waiting to make our appearance on the scene however. Yet, in Mission San Jose, California, two sisters had not only appeared on the scene, but were making their first commitment of vows to the Lord.

Sister Linda Henriques was born in Oakland, California. She was the oldest of four children. Following her, came two brothers and then another girl, who was later to follow her into Religious life.

When *Sister Linda* was thirteen, she read a scripture passage, "What does it profit a man to gain the whole world, but to lose his very soul?" It was the last question in the old Baltimore Catechism. She said that she made up her mind in fifteen minutes. Sister graduated from St. Elizabeth's High School in Oakland, California. After her first profession, she was assigned to teach at St. James Girls' School in San Francisco. Various assignments followed. She has served in a variety of positions; teacher, treasurer and principal. At Mission, she has been a dedicated teacher of math, always willing to help students.

Sister Mary Kevin, who entered with *Sister Linda*, was born in Los Angeles and graduated from Sacred Heart of Jesus. She has one brother and one sister. She was influenced to enter the convent by a story she heard from one of the sisters. This sister told the story that one day another sister said to her, "Why don't you become a nun?" This made an impression on *Sister Mary Ke-*

vin. After graduating from UCLA and teaching for one year, she entered Religious Life. Her first assignment was to teach at ICA in San Francisco, where she was suppose to substitute for two weeks only, but ended up staying the entire year. She has taught at various high schools in California and Oregon.

Twenty-five years ago, *Sister Jeanne* made her first profession of vows. *Sister Jeanne* was born in Columbus Ohio and is a graduate of Mission. Sister attributes her vocation to the example of other Sisters who taught at Mission and also a desire to dedicate her life to God. Her first assignment was to St. Jame's Boys School, teaching fourth grade. Following that assignment she taught middle and upper grades at Santa Teresita in Los Angeles. Her first high school assignment was here at Mission, followed by an assignment to St. Michael's. Nine years ago, *Sister Jeanne* returned to Mission for the second time where she has served as teacher, counselor, programmer and talented musician.

On Tuesday, April 28th, the student body, faculty and staff, celebrated with *Sister Linda*, *Sister Mary Kevin* and *Sister Jeanne* at a special Liturgy celebrated by His eminence *Cardinal Timothy Manning*. *Cardinal Manning* was also celebrating a special jubilee — his fifty years of ordination as a priest. Following the Mass, the student body was dismissed and the faculty and staff, along with the jubilarians continued their celebration at a special lunch.

We give thanks for the gift of these three lives and we ask the Lord to continue to bless them with his love and presence.

FOREVER!

Seniors . . . This Is It!

Their motto: "We do things well." Their spirit: undeniable. Their success: overwhelming. So was the Royal reign of the Class of 1984 who, led by their lion mascot, produced a uniquely successful and memorable year. Regally led by their class officers, President, *Elvia Torres*, Vice-President, *Christine Segar*, Secretary, *Kerry Aguirre*, Treasurer, *Kim Koch*, and Special Affairs officer, *Mary Urquijo*, the Seniors began their reign with a trip to the "Twilight Zone" and Huntington State Beach accompanied by their Freshmen Little Sisters. At the conclusion of these activities, each freshman received a specially designed, handmade banner from her big sister as a symbol of her love and concern and as a remembrance of Freshman Welcome.

"A Nite in Twilite" announced the senior Welcome Back Dance where couples danced passed midnight to the

sounds of Century and clamoured for more at night's end.

The Living Rosary, sponsored by the Seniors, was a beautiful ceremony paying tribute to the Blessed Mother. Each senior placed a single, long-stemmed rose before the Blessed Mother's statue symbolizing her place as queen of their kingdom. Keeping with tradition, the seniors presented the roses to *Sr. Jean Marie* and the sisters.

Just as traditionally, the Seniors swept to victory in the Annual Ad Drive. Never bested from start to finish, the Royal Lions literally "ran away" with title and say *Cindy Barron* crowned queen.

In October, December, and February, the Royals experienced the Kairos retreats which gave them a deeper understanding of themselves, their God and each other.

They had heart, gentleness, and a "magical belief" in themselves! They were the Royal Class of 1984.

Our Song

The long and winding road, that leads to our goals
Will never disappear, we've seen that road before.
It'll always be there, for the Class of '84
The wild and crazy times, which we've shared
Through the years will leave us full of tears.

When it's time to go we won't be standing here.

We'll be on our way. Many times we've stood
As one, to show the world our pride. Anyway they'll
Never know, the many ways we've tried. But our
Loyalty to Mission High, will always remain the
Same, it'll guide us through the years, and
Set us on our way. The good times and the bad,
Will show us what we've had ... The royal blue
And gold, will make the Lions bold.
We are the Royal Lions
The Class of '84 ...

Juniors

The Journey Continues . . .

On August 31st the new Junior class, the Unique Unicorns, arrived at Mission bringing with them their powder blue and white colors and mascot the Unique Unicorn. The new junior class received many new responsibilities and privileges due to their upper class women status. They received the privilege of sitting on the lawn by the Broadway street side of the school, which they shared with their sisters the Royal Lions of '84.

Prancing through two years with a unique spirit, the Unique Unicorns of '85 trotted into their Junior year with a bang! They started the year off by winning the spirit stick at the first two rallies. The Uniques also managed to keep their title as the highest selling class in Mission's annual candy drive by winning the candy drive for the third year in a row with 185%.

Led by their hard working and enthusiastic officers, President Lynn Guzman, Vice President Christy Fierro, Secretary Lisa Salcido, Treasurer Angelica Garza and Special Affairs Lilia Frausto an eventful year was planned. Starting

with the Junior/Freshmen lunch which was a fun way to get to know their freshmen little sisters during welcome week on September 14. The Uniques also went on retreat at the Sacred Heart Retreat Center in Big Bear. The class was split into two groups: the first group went on Nov. 9 & 10, and the second group on Nov. 17 & 18. After the two retreats, the Uniques joined together as one to share their experience of the retreat. They found that the retreat helped bring the class together. Letha Hall made the comment: "I felt the retreat was a fun filled emotional experience full of spirit and love which made the class more whole". In February, the Juniors sponsored the annual Sweethearts dance, the proceeds from the dance helped pay for the big event of the year — the Prom which was held on May 4 at the California Plaza. "I feel our class, the Uniques, has grown tremendously in unity and enthusiasm and as Seniors, I'm sure we will continue to grow in this spirit" said Tracey Esparza.

The Elites Are Making Their Move

The Sophomores with their proud colors gold and white and their mascot the stallion started their year out with registration on September 1. Led by class officers: President *Cynthia Flores*, Vice President *Bernadette Duran*, Secretary *Kim O'Meara*, Treasurer *Sylvia Torres* and Special Affairs *Lisa Barron*, they looked forward to a great year.

In their first activity, they carried on the tradition of handing out survival kits to their freshmen Little sisters on September 13.

On September 22, the Elites proved their spirit and unity by winning the spirit stick at the first rally.

On October 31, the Sophomore class held one of the most successful Freaky Dress Days at Mission. The day was organized and creative from start to finish. At the assembly

they entertained the student body with their skit, "The Twelved Days of Halloween."

To help them with their various activities they had a popcorn fundraiser in October.

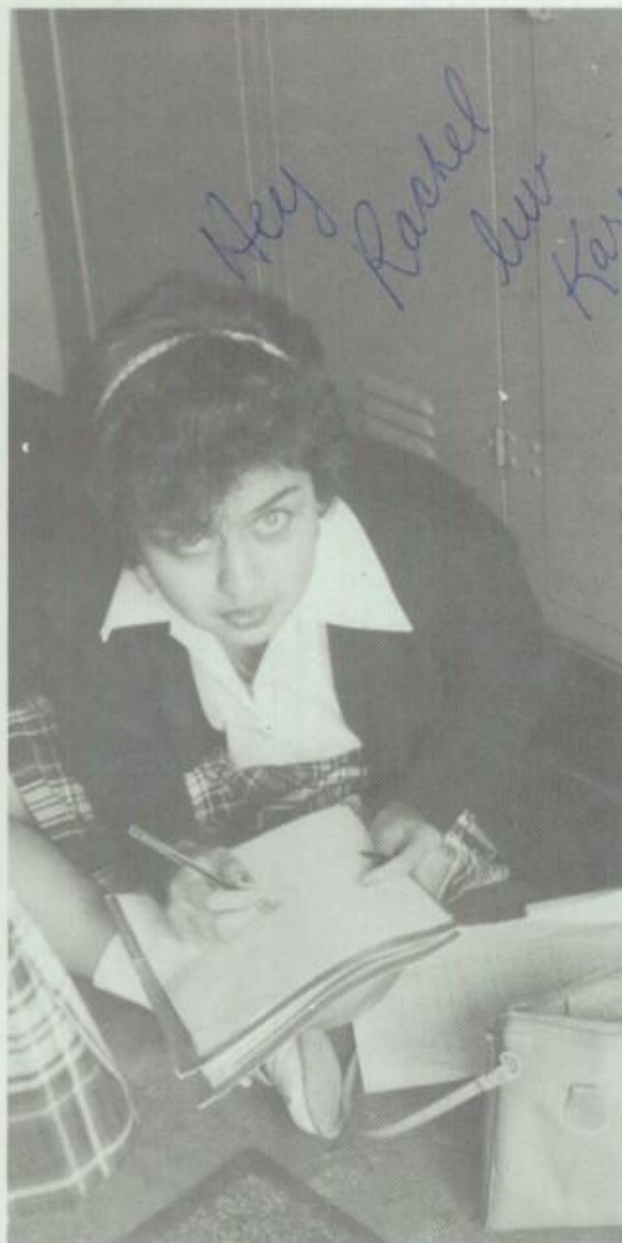

On March 8 and 13 the Elites went on retreat at Sierria Madre. As in the past the class was divided into two groups.

On March 29 was the event they had been waiting for. They received their rings and the status of upperclass women.

At the closing of the year on May 11 they held their sophomore/senior picnic at Smith Park. When asked what they remembered most about sophomore year, *Valeree Rocha* and *Karin Barr* had to say, "The great parties and all the fond and great memories of our Sophomore year."

And In The Beginning

The Freshmen Class of 1987 started school on September the second. Their first few weeks were hectic ones as classes and tardies were new to them.

The real fun and excitement started with Welcome Week. Kicking it off were the Sophomores, who presented Freshman with survival kits. On the fourteenth, the Juniors treated the Freshman to delicious lunches.

After a day of rest, the Freshmen returned to school ready to take on the Seniors. The day was filled with laughter and some embarrassment, as the Freshmen were dressed according to the theme "The Twilight Zone". An assembly provided a place for these creative costumes to be displayed. A trip to the beach ended a fun but exhausting day.

The Majestic Panthers was chosen as their class name, the Black Panther as their mascot, and black & white as their colors. In October they began building their class treasury by sponsoring a doughnut sale in November.

The first social activity involving the Freshmen was an outing with Cathedral on December 7. This proved to be a great success as a majority of both classes attended.

The last class responsibility belonging to the Freshmen is the reception after the Baccaloreatte Mass in May.

With the assistance and guidance of their class officers: President, *Christy Flores* Vice-president, *Densie Duran*, Secretary, *Gigi Gonzalez*, Treasurer, *Raquel Torres*, Special Affairs officer, *Gabby Torres*, their new school year has had a great start. Adding to their support are moderators: *Miss Malveaux*, *Sister Kathleen Anne*, *Mrs. Campbell*, and *Miss Bangs*.

THE MAD SCIENTIST

Science is a part of everyday life. It can be the study of energy, environment, or any form of life. Science is indeed a very interesting, intriguing, and challenging field of study. The science courses that were offered this year were, Lab Biology, Lab Chemistry, Physics, Anatomy-Physiology, Environmental Studies, IIS Biology, Physical Science, Health, and General Science. The faculty members in the Science Department this year were, Ms. Jean Inouye, Mrs. Debi Blair, Mr. Jerry DeSantis, and Mission's new faculty member, Ms. Jennifer Dunmire. According to Ms. Dunmire "it's important to be exposed to one's environment. By learning what effects we have on the Earth, we can share in protecting it." Indeed, the field of science can be used to apply to everyday life and for use in future careers. For this reason, the Science Department members have worked hard to share and teach their knowledge of this remarkable study with the students at Mission.

CREATING A MASTERPIECE

Art enables a person to openly and creatively express oneself through an enjoyable and learning experience. The art courses that were offered this year were Introductory Arts and Crafts, Drawing and Painting, Calligraphy, Needle Crafts, Arts and Crafts, Photography, and Special Studies. Special Studies was a new course offered to those who had an interest in learning different studies and skills that were not offered during the year. In this course, the students worked independently and at their own pace.

The Art Department welcomed a new addition this year. *Miss Judy Dunker*, a graduate of the Art Institute of Chicago, became Mission's Art Department Chairperson. When asked what role art plays in one's life, *Miss Dunker* replied, "Art encourages individuality and uniqueness through the creative processes, while gaining a strong understanding of the elements common to all arts."

Top: Senior Rosann Lopez enjoys working in Calligraphy class.

Bottom left: Ms. Dunker gives her advice to her art student.

Home Economics

This year Mission's Home Economics department had a new addition. Not only did it have clothing one, two and three, Beginning Foods, Interior Designs and Consumer Finance, but Child Development was added to the department. Home Economic class were taught by *Mrs. Notheis, Mrs. Crowley, Ms. Moore, Mrs. Campbell and Miss. Dorsey.*

These classes are very beneficial to the girls who take them, because they prepare them for their life after Mission, both in their private lives and in the business world.

Above: *Ms. Dorsey* pauses for a quick shot. Top Right: *Ms. Notheis* gives points to one of her students. Right: *Ms. Notheis* helps *Cara Hargens* lay out her pattern.

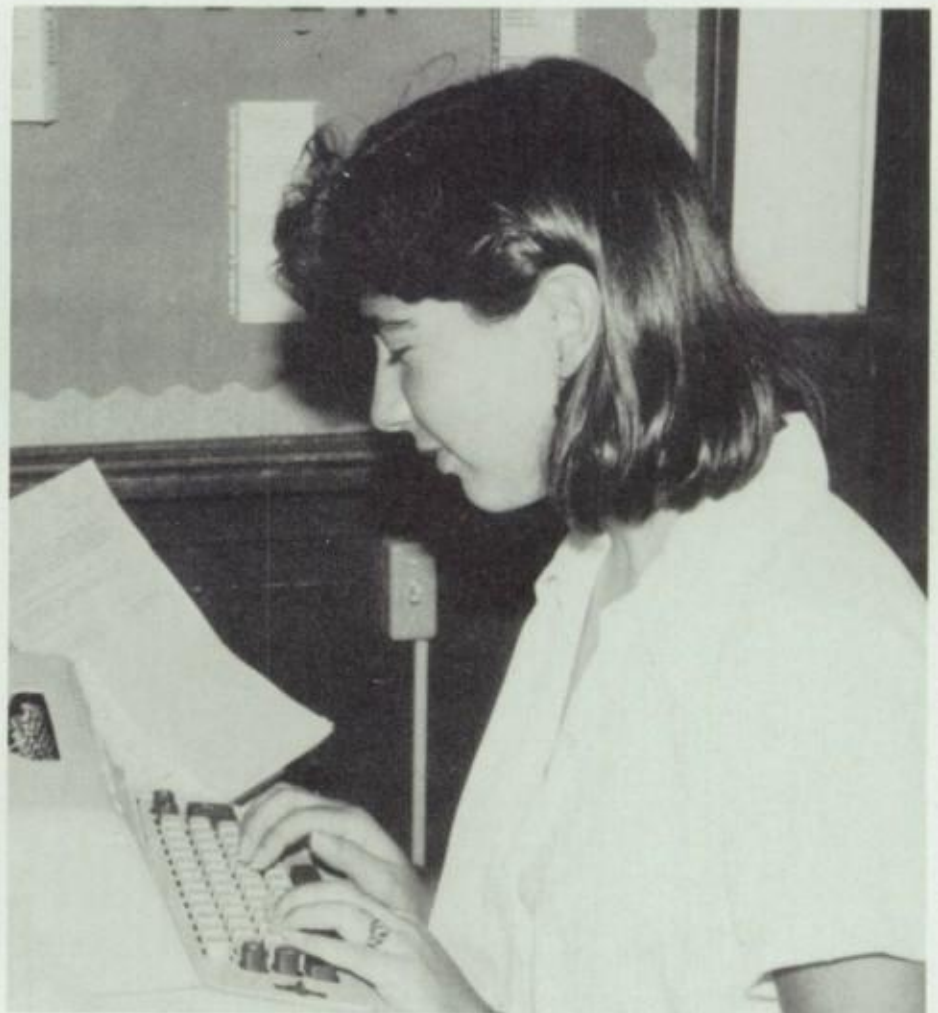

Business As Usual!

Women have become more and more dominant in the world of business. With the help of the various business classes offered at Mission, girls are well prepared to enter and succeed in today's business world.

There was a large variety of classes offered this year. Pioneer students were able to take: Personal typing, Business Typing, Shorthand I and II, Accounting, Administrative Procedures, and Business Record Management. These courses either prepared a girl to enter the business world immediately upon graduation or to continue with a business major in college.

Although this department was small in faculty members, their dedication, hard work and enthusiasm more than made up for numbers. The department was headed by *Mrs. Ernestine Campbell* who was ably assisted by *Ms. Ethel Malveaux*. Both of them spent many extra hours, outside of class time, assisting the students with extra help, to ensure their success in whatever field they choose to enter.

Mission could be proud of their Business department. Because of hard work and dedication, it was business as usual.

A Glance At Yesterday

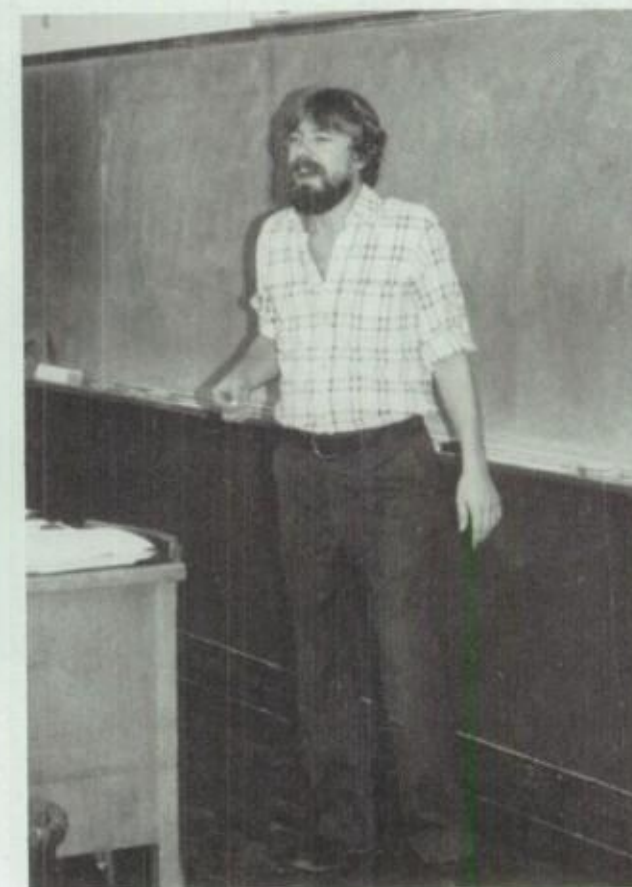

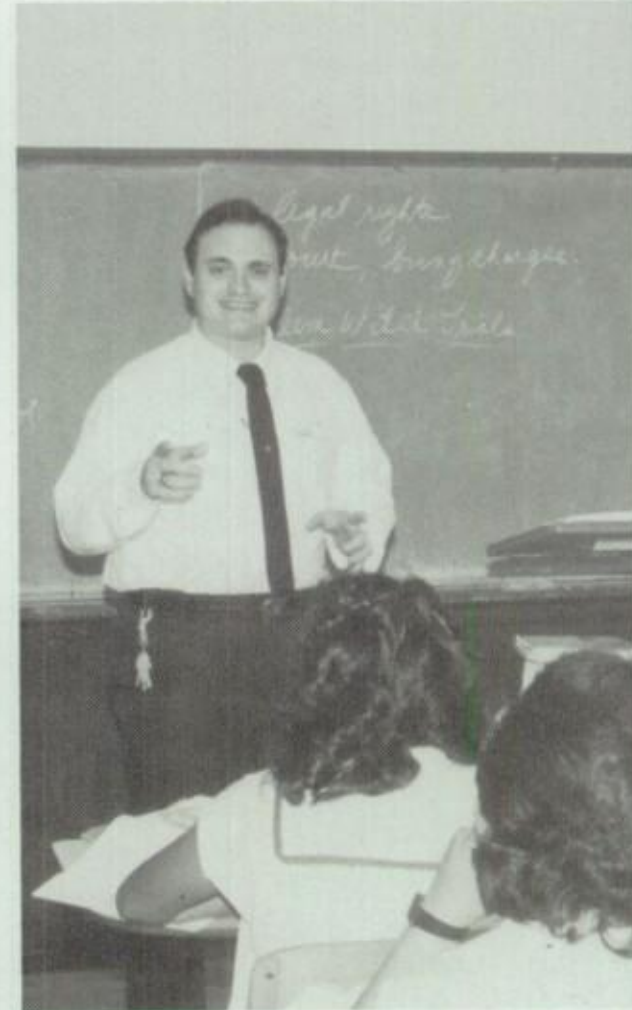

Many students dislike history, but thanks to our excellent history teachers, students eagerly rushed to class. The social studies department this year was chaired by *Ms. Joyce Moore*. She was assisted by *Mr. Clay Drees*, *Mr. Gene Koester*, *Ms. Cathy Dorsey* and *Mr. Frank Laurenzello*. The social studies department worked hard to share their

knowledge and to educate their students about their history and to make them more aware of what and who they are. Junior *Becky Hernandez* states, "History gives me a positive outlook because it lets me look back into my country's past and gives me pride to know who I am and where I came from."

Shaping Up

Physical Education was a course many girls didn't want to take. Unfortunately, many people consider P.E. of lesser importance because it is not an academic subject. However, it is important for good health as *Mr. DeSantis* put it, "For some of these girls this is the only physical activity that they get, and everybody needs it."

One year of P.E. was the graduation requirement. The P.E. Department offered semester classes in P.E. Sports and P.E. Conditioning taught by Department Chairperson *Mr. Jerry DeSantis*. P.E. Dance was also part of the curriculum and was taught by *Ms. Sue Notheis*. During the summer of 1983 a room was built in the cafeteria for both the P.E. Conditioning classes and the PE Dance classes.

Happily many girls changed their minds about P.E. Most of the girls put a lot of effort into P.E. classes because they enjoyed it and enjoyed feeling good. Junior, *Diana Zambrano* said, "It was fun because the P.E. dance class taught us different styles of dancing and *Ms. Notheis* was a very patient teacher."

Hola Or Bonjour!

This year the Foreign Language department began with a busy start. Head of the Foreign Language department was *Sr. Jean Marie* who also teaches French I, II, and III. Sister has also visited France in the past, thus, giving her a great knowledge of French culture as well as the language.

Supporting the Foreign Language Department are *Mrs. Baca*, *Mrs. Vasquez* and *Mr. Cheney* who teach Spanish. Through their combined efforts Intro-Spanish to bilingual, Spanish I, II, III, IV, and Bilingual Spanish I, II, III, IV are taught. Besides having the opportunity to learn a language, the students came to know about different cultures and traditions.

The Foreign Language Department serves a variety of students, helping them to become proficient in another language and to be more aware of other cultures.

Learning To Communicate

The English Department provides for a curriculum of four years of English courses: academic, developmental, and electives such as speech and drama.

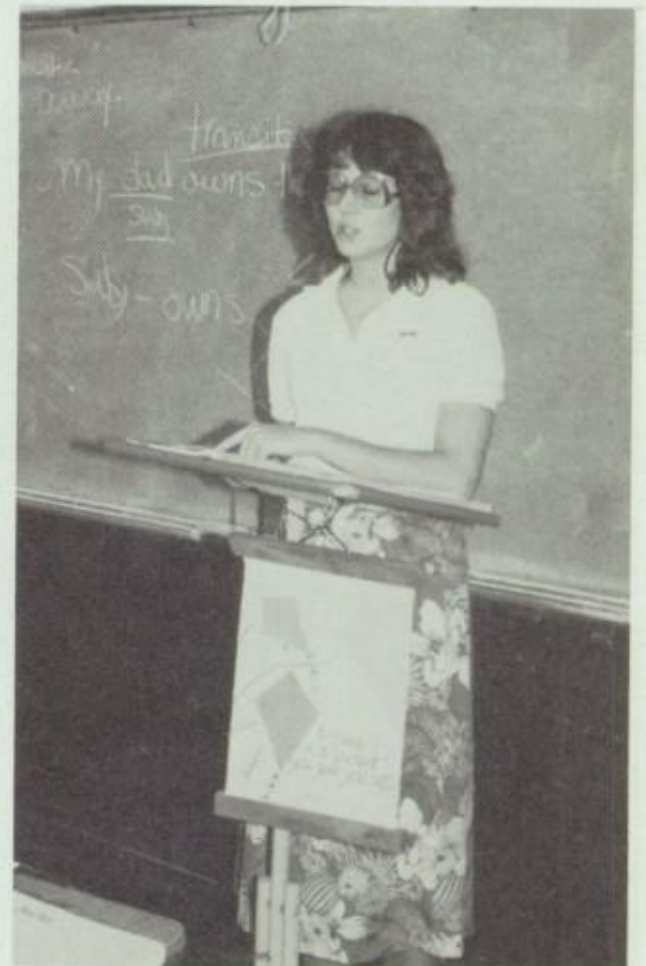

These courses are planned so that seniors will be prepared to approach their research projects with ease and to strengthen their skills necessary for college and post-secondary life.

When asked what is the major goal of the English department, *Sister Catherine Marie*, department chairperson, responded, "Our goal is to help students function well in the world of communication."

The support of the teachers in this department contributes greatly to the success of the program.

The personnel consists of *Sister Kathleen Anne*, *Ms. Martin*, *Sister Elizabeth*, *Mrs. Ransons*, *Sister Carolyn*, *Mr. Koester*, and the department chairperson *Sister Catherine Marie*.

The English department through its strong program successfully helps Mission students prepare for their future whether it be in college or the business world.

Sister Carolyn works with *Donna Cordero* during her Journalism Class.

Who's Afraid Of Math?

Math, according to the American Heritage Dictionary, is the study of numbers, forms, arrangements, and associated relationships. This sounds easy enough to some but strikes fear in the hearts of many. Here at Mission, this fear is uncalled for. Reason? There are five: *Mrs. Debi Blair*, *Mr. Clay Drees*, *Mr. Gene Koester*, *Sister Linda*, and *Ms. Ethel Malveaux*. These five teachers come to class each day armed with their rulers, protractors, compasses, calculators, and most importantly, their knowledge and ready to combat their students' fear of the subject. By the end of the school year, they are always victorious.

For students who need extra help, there are the unsung heroines, the math tutors. The math tutors are students who have taken math courses and feel that they are capable of aiding other students. They often sacrifice their break or lunch time to help others.

The classes offered this year are: Analytic Geometry/Advanced Trig., Algebra I and II, Algebra III/Trig., Geometry, Math Essentials, Pre Algebra, Consumer Finance, and the two newest classes, Computer Studies and Math Fast at Last. Each class presents a different challenge to each student.

Math will continue to be an indispensable part of education as well as what sometimes seems to be an impossible task. Isn't it fortunate that Mission is equipped with a devoted and competent group of math teachers?

Live, Love, Laugh, And Learn In Christ

Striving towards excellence within the Religious Studies Department, eight dedicated teachers did a fantastic job. Their dedication and commitment was evident in the fact that they chose to meet each Tuesday morning to join in prayer for their students and fellow faculty members, as well as share plans and ideas.

The current revision of the curriculum was completed this year with the establishment of the new junior religion course, Social Gospel. This course was added to give the students an opportunity to study, in the light of our faith, the issues of justice that concern our world. Thus, the courses taught were: Maturing in Faith (freshmen); Prayer and Sacraments, Jesus and His Values (sophomores); Morality, Social Gospel (juniors); and Christian Lifestyles (seniors).

Teaching within the Religious Studies Department along with Sister Gloria Marie (Religious Studies Chairperson) were: Sister Elizabeth, Sister Kathleen Anne, Sister Reina, Ms. Karen Bangs, Mr. Michael Cheney, Mrs. Nancy Crowley, and Ms. Cathy Dorsey. According to Sister Gloria Marie, "It is a special experience sharing our faith and growing in faith with the girls at Mission because of their own personal faith and desire to share it with others."

 know what the hell was going on. we
 were blabbing away to much. gosh we
 had a lot of good times together.
 We've shared a lot together good & bad
 but they were always crazy. Boy we
 had big months. They sure got us into
 a lot of trouble too. (FFF) gosh Rach we
 sure had a lot of fun times and a lot
 of crazy memories to ~~fall back on~~ ^{look back}. hopeful
 the good times will never end. They'll
 probably get crazier as time passes. Well babe,
 remember I was always there for you before
 and i always will be. When ever you need a

ABOUT FACE!

This year Mission's drill team consisted of eight hard-working members. The Drill team also became part of the pep squad this year and along with the squad, they brought across Mission's pride and sportsmanship when they performed at games throughout the school year. At Mission rallies, the drill team performed enthusiastic, exciting and spirited routines. This year's moderator of the pep squad was Mrs. Susan Notheis. Drill team captain was Junior Grace Guaderrama. According to Grace, "The girls on drill team feel good about belonging to an admired group and enjoy performing exciting routines."

God! I thought it would never end. It ~~was~~
has been weird knowing you! Just do me a
favor, go out and meet some guys. Don't
hang around the guys too much. I don't
want you getting fuddy in me. Just keep up
the good work. Don't get into any trouble,
especially during school. After you get to die
to play softball for the park don't go and
forget about me. Keep in touch and may be
I can fix you up for another person. I know
you're smart enough not to do anything dumb
but if you ever do, just give me a call.
Live with this enough of all (believe me!) And
all try and help you as much as I

Sharing Your Spirit

At Mission there have always been cheerleaders for other schools. They could be identified by their permanent smiles and enthusiastic spirit. The cheerleaders for 1983-1984 gave it their all at rallies and games. These girls cheered for boys schools, which included Salesian High School in East Los Angeles, Don Bosco Technical Institute in Rosemead, Cantwell High School in Montebello, Cathedral High in downtown Los Angeles, and Pater Noster. Their jobs were to encourage those teams by their presence and support through cheering their teams on to victory. Cheering for an all girls student body was one thing, but cheering in front of an all male student body was another.

Bump . . . Set . . . Spike!

The varsity volleyball team had a whole new beginning starting with a new coach, *Ms. Laurie Capps*, coaching for the first time at Mission. The season began with tryouts in September and the new team was introduced to the student body at the first rally of the school year.

Besides adjusting to a new coaching system, the varsity had to adapt to playing three out of five games in the second half of the season, instead of the usual two out of three in the first half.

The reason for the change to three out of five games was to prepare the teams for

the three out of five games that are played during the CIF playoffs.

Although the varsity had a dismal season finishing with a record of four wins and eight losses, they managed to stay together and play as a team, supporting, encouraging and enjoying each other.

A highlight of the season was the last Ramona game which went all five games. The varsity played a very exciting game and their true ability showed through.

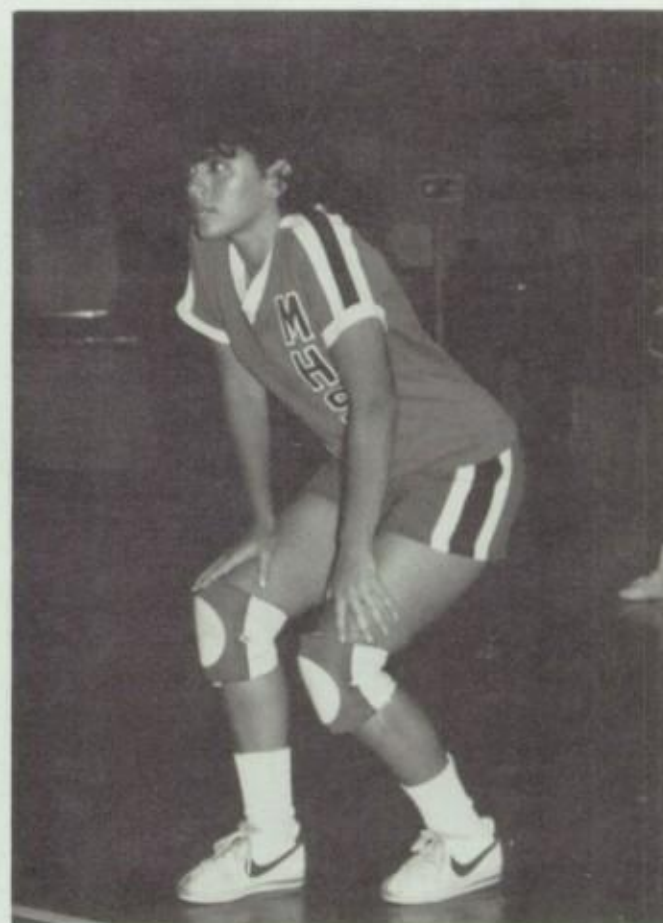

The spirit that was shone by the varsity this year should predict a great season to come.

Striving For Excellence

*my coach-
let's me

Choosing a volleyball team is not an easy task. One must select the girls who show skill and ability to learn and desire to work for the betterment of the team. After many hours of tryouts, the 1983 Junior Varsity Volleyball team was chosen. This year's team consisted of five freshman, four sophomores and three juniors. The team showed real unity and spirit.

Although their season ended with five wins and seven losses, the team played excellently.

The team spent long hours at practice and played with dedication at their games thanks to support of their coach, Mr. Jerry De Santis who encouraged and guided each player.

We look forward to next year and the continued growth of the JV team.

Shooting For The Top

This year Mission has expanded their basketball program by adding a Junior Varsity squad. The Junior Varsity was made up of Freshmen and Sophomores whose sole purpose was to provide the girls with experience in preparation for the Varsity squad. The new JV coach was *Mr. Jerry DeSantis* who commented, "We had a very enthusiastic group of girls. All of their hard work now, will pay off later when they reach the Varsity level."

This year's Varsity squad coached by *Mr. Gene Koester* returned hoping

to win at least half of their games to qualify for CIF playoffs. The Varsity squad was a very hard working team practicing three hours everyday after school. Varsity captain Senior *Mona Lee Miller* commented, "Even though we started this year with a new team, through hard practice and dedication we came together to form a strong and united team. Even though we didn't win as many games as we would have liked to have won, we stuck together by supporting each other through thick and thin."

196-Senior Good-Bye

Ode To Future Seniors

I longed for summer in my youth.
 The toils were light, the school bell mute.
 The days were long for teenage play.
 Oh! Vivid dreams of yesterday.
 I longed for summer in my teens.
 The guys, the cars, those fun-filled
 nights.
 Schedules, homework, tests were done.
 My only care was having fun.
 I longed for summer all year long,
 while sitting in my classroom bond.
 And dreamt of when times were free,
 no book reports had holds on me.
 I longed for summer days, but now,
 no more am I the classroom clown,
 no more the sun shines upon my brow,
 no time with friends to "hang around"
 and how, I long for school again.
 Those fun-filled days, I miss w/pain.
 The days of youth are fleet, but few
 and pass as quickly as the morning dew.

Editors Note

As we both share the glory and the work of creating the 1984 Pioneer out of a pale image once discussed in August, we can now say that the ideal has become a reality. Together we have experienced "Yesterday Today and Forever" and brought out a book that is distinctly 1984's through pictures, thoughts and designs.

Working on this book, indeed has done much for us. It has given us a opportunity to give something back to a school which has given us so much both intellectually and spiritually.

Keeping in mind all the Pioneer staff members that worked very hard sacrificing many hours of their time to make this the best ever. Thank You. Special thanks goes to *Sister Kathleen Anne* for all her time, patience, understanding and encouraging words during the year. We'll always remember you for your M&M attacks.

Head Photographer *Lisa Salazar* and Photographers *Arlene Young*, *Veronica Villagrana* and *Rebecca Navarez* for all those photos that will be remembered for years. Faces and expressions that will be put a moment trapped in our minds.

Head Artist *Mona Miller* and co-artist *Martha Figueroa* we wish to thank you for art work that shows style, creativity and skill that no one could have done like the both of you did.

Co-Business managers *Lourdes Bonilla* and *Cece Cabral* for not losing control of yourselves for the mistake of

counting tens as ones. Hal Hal

Page editors *Lorena Bonilla*, *Theresa Cintro do Prado*, *Paula Lopez*, *Mary Ann Baclit*, *Linh Bui*, *Patricia DeSousa*, *Tracey Esparza*, *Adriana Santini*, *Cara Hargens*, and *Andra Hernandez* for basically learning how to crop pictures, write copies, learn points while at the same time doing a page.

Typists *Sandra Nuno* and *Cathy Olivares* for typing God knows how many captions, body copies and ads a hundred times over.

Thank you 1983-1984 Staff for doing jobs above and beyond your line of duty.

Special thanks goes to *Sister Elizabeth* for all her help during our ad drive. *Ms. Malveaux* thank you also for continually helping us during our ad drive and keeping that sense of humor strong when times got rough.

And to *Ms. Moore* for all her enthusiasm and most memorable visits that we will always remember.

We hope you enjoy *Yesterday Today and Forever*. May it be a means of keeping memories alive and bright.

Love,

ELSA SANDOVAL

My Dearest Rachel,

I'm so proud of you, I have seen
you grow so much in the past
few months, it makes me very
happy that you are becoming your
own person. What I mean by that
is that you are getting to know
what you like & don't like, who you
are and what you want to become.

I realize that it has taken a lot

of emotional pain, a lot of crying, a lot
of anger & a lot of thinking - But all
of this is what I call "growing pains"

Without this pain I don't feel we really
appreciate what the future holds for us.

So remember every time you hurt - ~~that~~
you are actually learning more about
life and that's called growing up.

Dearest Rachel:
Well buddy: We made it through our 2nd year huh! I imagine I thought sophomore year was bad, just think junior year is going to be even more difficult!... I'm just sorry I can't go through it with you... Hey, I may not be there physically but I'll always be in your ♥ and don't you forget it!

Rachel — make the next 2 years the best cuz they're your last.... And if you ever feel like giving up DON'T.... Be strong and stick it out! And if you have problems remember you've got a friend too... Although this is turning out to be a sermon I don't mean it to...

Rachel Don't forget to watch out for those "stairs" they'll kill you! hahaha Remember what they did to me!

Hey thaxx for picking up the pieces with everything and all! If you hadn't I imagine where I'd be now?!!

Rachel you're a very special friend to me .. and I'll never forget you! Baby Grey too...

And my crazy letters?! Well which is it a turkey, chicken or whale?? Baby Grey's letter!

Well buddy, it's time to go! I'm gonna miss you a lot.

I Love You Rachel!
